Participants: 72

Summary of the Seminar:

The seminar programme was organized by the Department of English of Al-Ameen Memorial Minority College on the topic "The Role of Time in Shakespeare's Sonnets: Temporality and Immortality."

The 3rd semester students of English Honours of this institution presented papers on "The Role of Time in Shakespeare's Sonnet" covering different aspects of the topic, which were sub-titled as:

- a) Introduction to Shakespeare's Sonnets.
- b) The Concepts of Time in Shakespeare's Sonnets.
- c) Time and Mortality in Shakespeare's Sonnets.
- d) Time, Love and Art in Shakespeare's sonnets.

Shakespeare's sonnets are a cornerstone of English literature, and they offer a rich tapestry of themes, emotions, and literary techniques that make them an ideal topic for a seminar.

The themes explored in Shakespeare's sonnets, including love, beauty, mortality, and the passage of time, are universal and timeless. The exploration of time in Shakespeare's sonnets can also be linked to other disciplines, such as philosophy, psychology, and art. For students and scholars of literature, the seminar provides an opportunity to deepen their understanding of Shakespeare's sonnets and enhance their analytical skills.

Overall, the role of time in Shakespeare's sonnets is a rich and multifaceted topic that offers a wealth of opportunities for exploration and discussion.

Presentation of Certificate of Participation : The Certificates of Participation were awarded to the participants by the chairman of the seminar programme followed by calling it a day.
