Summary of the Seminar : The seminar programme was organised by the Department of English of Al-Ameen Memorial Minority College on Henrik Ibsen's "A Doll's House". The 4th and 6th semester students of English Honours of this institution presented papers on the topic "A Doll's House" covering different aspects of the play, which were sub-titled as: i) Life and Literary Contributions of Henrik Ibsen ii) A Doll's House: A Problem Play; iii) A Doll's House: Theme of Abandonment and iv) The Theme of Appearance vs Reality in "A Doll's House". English literature studies give an opportunity to discover how literature makes sense of the world through poems, plays, fictional and nonfictional writing. Therefore, the principal aim of this seminar was to provide a scope to the students to sharpen their critical thinking and evaluative interpretations and also to enhance their own ability to read, write, analyze and persuade. The Seminar proved to be a case in point and it was a valuable and informative experience for all of us.

Presentation of Certificate of Participation : The Certificates of Participation were awarded to the participants by the chairman of the seminar programme followed by calling it a day.
