A. Heritage visit Report

Traveling is very important for various purposes including to keep students away from fatigue, boredom, mechanics for some time. Traveling for a while can invigorate the body and mind. Travel brings peace to the body and mind. Helps to know the unknown. Helps to make new friendships. Keeping these in mind, our college arranged to visit several historical places in Baruipur for second semester students.

- 1) Baruipur Rajbari
- 2) Mahaprabhutla (Baruipur Puratan Bazar)
- 3) Kachari Bazar Jame Masjid
- 4) Sent Cathedral Baruipur (Bishop House)

Baruipur Rajbari

The traditional Rajbari of Baruipur is centuries old. If you look at the history of Baruipur, it is known that Zamidar Rajballab Chowdhury got a large area as dowry from the then Nawab. The Chowdhury family later acquired the title of Roy Chowdhury. King Rajvallabh Roy Chowdhury built a palatial palace by giving it to a foreign company during the reign of Lord Cornwallis. Thirteen Parbans in the twelve months of Bengali. Almost every one of them was celebrated royally. From Durga Puja to Rath Yatra - nothing is left out.

Mahaprabhutla (Baruipur Puratan Bazar)

Sri Chaitanyadev went to Nilachal after taking sannyas. He was going to Baruipur by boat through the Ganges. On the way, Antisara Mahaprabhu came to the house of disciple Ananta Acharya. Stayed for three days. Rath also inaugurated the festival. This information was given by Nityananda Das Babaji, the current head of Mahaprabhu Tala.

The 500-year-old Rath festival is still being celebrated in Sambar. Even on Rath Day, people from far and wide come to enjoy khichuri under Mahaprabhu. The Mahaprabhu temple still has the shoes of Lord Chaitanya. Lord Mahaprabhu is worshiped here. Gaura and Nitai idols were also made under his orders during Sri Chaitanya's reign. Nityananda Das Babaji, head of the temple, said that when Chaitanya Dev came here, Ananta Acharya's house was a thatched cottage. Then there is thatched house. From there, the temple has improved over time. The festival is still being held according to tradition. Now the chariot comes out from the old market junction. Parikrama ends at Bhattacharya Para. There Harinam Sankirtan. Here all people irrespective of caste creed have free entry.

Kachari Bazar Jame Masjid

It is located right next to Chayasree Gali near Baruipur Kachari Bazar. Its current imam Mahamudul Hasan Sk says that daily prayers are offered according to the rules. And hundreds of people come here to offer prayers as well. All people can come here irrespective of caste religion caste. Like some come to seek help in marriage of daughter, some come for begging.

Sent Cathedral Baruipur (Bishop House)

It is necessary to improve awareness of Heritage Tourism and the ethics of its care in study curriculum and to identify tools that can be developed to help communities to better understand and conserve their heritage. Heritage Education needs to be developed in College and through informal education.

The best way to preserve our heritage, whatever it may be, is to share it with others. It is our responsibility to keep world & regional history intact for the coming generation so that they may have the same opportunities to learn about the past and their own roots as we have.

Heritage Tourism plays a very important role in our life. It is what keeps us attached to our religion, traditions, & beliefs. In today's context we refer to cultural identity which means (feeling of) identity of a group or culture, or of an individual as far as he or she is influenced by his belonging to a group or culture.

2 .Safe Drive,Save Life:

To sum up, the “Safe Drive, Save Life” campaign is an effective way to remember the significant influence that driving responsibly can have on our lives and the communities in which we live. It is a call to action, imploring people to adopt the virtues of prudence, compassion, and accountability. Launched in 2016 by the Chief Minister of West Bengal, the Safe Drive Save Life campaign has seen a remarkable 25% reduction in road accidents – a testament to the power of community engagement. For public awareness our college organized a walk from Yogibattala to Gobindpur High School with second and fourth semester students.

3. AT DUARE SARKAR CAMP

Government of West Bengal

Started on 1st December, 2020 by the Hon'ble Chief Minister of West Bengal, Duare Sarkar is an initiative of the Government of West Bengal, for delivery of services and welfare schemes at the doorsteps of the people through outreach camps. These camps are organized at the level of gram panchayat and municipal ward level. These camps act as service providers of specific services and nodes for issuance and collection of applications for welfare schemes.

Paray Samadhan – a community component of the Duare Sarkar campaign - conceptualized to respond to the numerous petitions and applications received from citizens seeking solutions to small local problems due to gaps in infrastructure, supply and services and manpower in public institutions. Through Paray Samadhan, the Government seeks to address neighborhood needs through small interventions and community participation, aiming to solve community level issues locally.

6. "Gift A Water Pouch"

Water is nature's most precious gift, most important for sustaining life and drinking water is required for almost all human activities. Water is essential for irrigation, to meet growing food demand, industry, power generation. Our college organizes sixth semester students to give water to the thirsty passers-by in the heat of summer.

7. Love And Serve Old Persons

College students interact with elders in the mosque. Then they told the story and the elders were happy and blessed everyone. Finally helped an old man to return home.

8. Tree Plantation

Plantation is very necessary as trees provide oxygen to the environment and improve air quality. If more trees are planted, the world's environment will become a safer place to live. Plantation also reduces pollution, thereby making life safer for future generations. Our college students of all semesters planted trees on both sides of Baruipur bypass road.

9.Hizab Awareness Campaing

World Hijab Day is an annual event founded by Nazma Khan in 2013, held every year on 1 February in 140 countries worldwide. Its stated objective is to encourage women of all religions and backgrounds to wear and experience hijab for a day and to educate and spread awareness about why hijab is worn. Our college organizes an event in this regard.
