

AL-AMEEN MEMORIAL MINORITY COLLEGE

6.3.2

Policy on Percentage of teachers provided with financial support to attend conferences/workshops and towards membership fee of professional bodies during the last five years.

Introduction:

Al-Ameen Memorial Minority College has consistently prioritised the professional development of its faculty members. The college has implemented a robust policy to financially support teachers in attending conferences, workshops, and obtaining memberships in professional bodies. This policy aims to enhance the academic and professional growth of the faculty, ensuring they remain at the forefront of their respective fields. By investing in these opportunities, the college not only fosters a culture of continuous learning and innovation but also strives to maintain high standards of education for its students.

Policies:

- 1) Emphasize the improvement of college teachers' quality and the advancement of teaching-learning methods with proficiency.
- 2) Provide financial support to teachers as needed to enhance the professional development of teachers.
- 3) Regular communication to ensure all teachers are aware of available support.
- 4) Encouragement for teachers to participate in relevant professional development opportunities.

Understanding Identify Politics: A Study on Meaning and Impacts

Rabeya Khatun

Guest Lecturer

Department of Political Science

Al-Ameen Memorial Minority College, Baruipur

Identity politics a social or political activity, where in people particular race, nationality, religion, gender,sexual orientation, social background social class other identifying factors develop political agendas that are based upon these identities. This social or political activity is usually undertaken with the goal of rectifying in justices suffered by group members. Because differences or conflicts between their particular identify make misconceptions of their particular identity .The dominant identity or identities of a larger societ eliminate negative impacts about exclusion, marginalization, oppression ,or assimilation to the point of erasure. Identity politics encomposs nationalist or separatist movement within particular countries and territories. As example, in the United states groups associated with identity politics African American, Native American, Hispanic American , Arab American, Muslim, Jews, feminst LGBTQ community among others. Even the meaning of Regionalism comes from identify. Regional movement in India causes and impact of identity, regionalism and cultural Assertiveness.The history of regional movements in India based on identity politics.

Keywords: Identify Politics, Regional Movement, Religion, Regionalism, Political Activity.
