Policy of Al-Ameen Memorial Minority College for Maintenance of Environment of the College conducive for Green Audit

Al Ameen Memorial Minority College is committed to maintaining an eco-friendly campus. This policy outlines our dedication to sustainability and environmental stewardship to ensure a conducive environment for Green Audit.

❖ Objectives:

- 1) Sustainability Integration: Integrate sustainability into the college's operations, academics, and community practices.
- 2) Energy Conservation: Reduce energy consumption and promote the use of renewable energy sources, Waste Management: Implement effective waste management strategies to minimize waste and promote recycling . 3) Water Conservation: Awareness campaign on water-saving technologies

Policies:

1) Sustainability Integration

a) Curriculum Inclusion: Include sustainability topics in the curriculum to educate students about environmental issues and sustainable practices.

b) Awareness Programs: Conduct workshops, seminars, and campaigns to raise awareness about environmental sustainability among students, staff, and the community.

2) Energy Conservation

Energy Audits: Conduct regular energy audits to identify areas for improvement and implement energy-saving measures. 3) Efficient Lighting: Install energy-efficient lighting systems, such as LED lights, and ensure regular maintenance. 4) Waste Segregation: Provide clearly labeled bins for the segregation of biodegradable, non-biodegradable, and recyclable waste.

5) Green Infrastructure: Design and maintain buildings with sustainable practices, including the use of eco-friendly materials and energy-efficient designs.

6) Transportation: Encourage the use of eco-friendly transportation options, such as bicycles and public transport, and provide facilities to support them.

7) Green Committee: Establish a Green Committee to oversee the implementation of this policy and conduct regular green audits.

By adhering to these guidelines, Al Ameen Memorial Minority College aims to sustainable and environmentally responsible campus.

❖ Founder of the College

The College is the brain-child of Late Al-Haj Professor Md. Roushan Ali, an educationist, philosopher, philanthropist and true lover of humanity in general and of the down-trodden and marginalized people in particular. This generous man died on 22.02.2014. We all pray that his departed soul may rest in peace in the beautiful Jannat (Heaven).

FOUNDER OF THE COLLEGE AND
MISSION AND VISION OF THE COLLEGE

FOUNDER OF THE COLLEGE

LATE AL-HAJ PROFESSOR MD. ROUSHAN ALI

The College is the brain-child of Late Al-Haj Professor Md. Roushan Ali, an educationist, philosopher, philanthropist and true lover of humanity in general and of the down-trodden and marginalized people in particular. This generous man died on 22.02.2014. We all pray that his departed soul may rest in peace in the beautiful Jannat (Heaven).

THE COLLEGE INAUGURAL SONG COMPOSED
BY THE FOUNDER OF THE COLLEGE

❖ Vision

The vision of the college is to bring the minority students however not excluding students from other communities to the main stream of higher education and preserve the religion and culture of such minorities at one and the same time, with the best intention of inculcating in them the idea of mutual trust, a sense of reciprocal honour and respect irrespective of caste, colour or sex, dedication towards works, the communities and the country and discipline in every spheres of life for the harmonious union of life, knowledge, work and love that binds one to other and to God as Life is indeed darkness save when there is urge And all urge is blind save when there is knowledge, And all knowledge is vain save when there is work And all work is empty save when there is love And when one works with love, one binds oneself to others, and to God. The ultimate vision of the college is to achieve this sum mum bonum of life. This is what may sum up through the slogan that we have raised ' Lit the Light, Seek the Truth '.

❖ Mission

- * To provide ideal learning environment and homely ambience conducive for diverse students of this college is our foremost priority.
- * Since this is a coeducational college, equality of opportunity and balanced development of both boys and girls are given much emphasis.
- * Effectively implemented the curriculum of the University of Calcutta by properly designing the Academic Calendar, the schedule of classes, academic plans through high quality creative instructions and efficiency of the teachers.
- * Besides the close observation of the Principal on day to day teaching - learning affairs of the college like regular attendance of teachers, timely in and out of the teachers from their allotted classes, conducting unit tests and examinations and evaluations of students , he has entrusted a Sr. Teacher for each subject to check, record and report to him whether syllabus being completed, sufficient study materials, etc. provided to the students and thus introduced scientific methods for the overall development of the students.
- * In addition to adopting conventional methods of teaching and learning, a few smart class rooms have been created where the teachers teach with the aid of ICT and modern techniques.
- * Learning is made more interesting to students by supplementing the classroom teaching with the occasional departmental seminars, special lectures of more resourceful persons from other colleges and universities, educational tours and field - trips which is also part of the present CBCS curriculum.
- * In order to prepare the students at par for various competitive examinations add - on courses of training and development have been introduced.
- * Since majority of the students are minorities, special care is taken so that every eligible students get Govt. and non- Govt. scholarships with a aim to minimize drop-outs.

1. INTRODUCTION:

❖ REPORT OF GREEN AUDIT

Environmental audit or Green audit is a general term that can reflect various types of evaluations intended to identify environmental compliance and management system to curb implementation gaps, along with related corrective measures. In this way they perform an analogous function to financial audits. The term Readiness in Ensuring Ecological Neutrality" (GREEN) / "Green Auditing", an umbrella term, is known by "Green" means eco-friendly or not damaging the another name "Environmental Auditing". This can acronymically environment is called as "GlobalThere are generally two different types of environmental audits - compliance audits and management systems audits. Green or Environmental audit means the checklist used by management auditor along with questionnaires attempt to satisfy the sites current technology supports for environmental improvement of the college , natural atmosphere and greenery of it.

Green Audit can be defined as systematic identification, quantification, recording, of practices within and outside of environmental diversity to analyze environmental practices within the college campus. The "Green Audit' aims to measure the eco-friendly ambience. Through Green exercises that can help to manage factors , which have impact on the environment. Through Green Audit, one gets a direction as to how to improve the conditions of environment and there are various factors that determine the conditions of environment.

This includes the plants, greenery and sustainability of the campus to ensure that the buildings are in conformity with green standards. This also helps to understand how the Policy is enacted, enforced and reviewed using various environmental awareness programmes.

The purpose of the audit was to ensure that the practices followed in the campus are in accordance with the Green Policy adopted by the institution.

❖ The methodology include:

- preparation and filling up of questionnaire,
- physical inspection of the campus,
- observation and review of the documentation,
- measurements and recommendations.

❖ It works on the several facets of:

- 'Green Campus' including
- Water Conservation,
- Tree Plantation,
- Waste Management
- Renewable Energy Conservation System
- Clean Campus
- Plastic Free Campus
- Smoking Free Campus
- No Mobile Phone Use Zone

- Maintenance of Biodiversity
- Visiting Heritage Buildings of Baruipur

❖ Outreach Programmes –

- Gifting Books,
- Distribution of Iftar to poors,
- Distribution of Clothes to widows,
- Cleaning Mosque,
- Giving Water pouch to Thirsty people

Green Audit is assigned in the Criteria 07 of NAAC.

There are three main pillars i.e. -

- zero environmental foot print
- positive impact on occupants health and
- performance and 100% of the students demonstrating environmental literacy.

The aim is to reduce

- Emission of CO2
- energy and water use, while
- creating an atmosphere where students can learn and be healthy.

If Green Audit is enforced in an effective way then there are many advantages that could be adopted from it.

- Green Audit could help to shield the environment
- Recognize the cost saving methods through waste minimizing and managing strategies
- Point out prevailing and forthcoming complications
- Authenticate conformity with the implemented laws Empower the organizations to frame a better environmental performance
- It portrays a good image of a company which helps building better relationships with the group of stakeholders
- Enhance the alertness for environmental guidelines and duties

2. EXECUTIVE SUMMARY :

In accordance with the Format of Green Audit and Evaluation by Al-Amen Memorial Minority College, Jogibattala, Baruipur, Kolkata-700145, West Bengal, for the years was conducted in the year of 2023. The rapid development and urbanisation of Baruipur has always been the major factor for an increasing density of population and in course of time it has exploded and caused an ecological crisis. On this condition, it has become essential to adopt a system of Green Campus in and around the college, leading to sustainable development.

The college is seriously concerned and believes that there is an urgent need to address these local problems and redress the conditions. As an institution of higher learning, the College has thought and fixed to undertake "The Green Campus" program few years back but due to lock-down situation and Covid era the Green Audit initiative couldn't be undertaken in full fledge. Still, we did not give up to improve the environment of the college. The purpose of the audit is to ensure that the practices followed in the Campus are in accordance with the Environmental Policy adopted by the College. With this in mind, the specific objectives of the audit is to evaluate the adequacy of the management control framework of Environment Sustainability as well as the degree to which the different departments are in compliance with the applicable regulations, policies and standards.

3. SIGNIFICANT OBSERVATIONS :

- 1) College has prepared Green Environmental policy and has taken efforts for sustainable development on the College campus.
- 2) College has formed the team of faculty and student as members of Environmental Committee which work to maintain biodiversity on the campus and also participate in preventing pollution in and around the campus.
- 3) Some of the best practices such as campus cleaning, maintaining tree plantation, introducing plastic free zone, No Smoking Zone, No "Mobile Phone Use zone for students" etc., are followed in the campus.
- 4) College has installed the solar panels with its own fund and getting a remarkable percentage of total power requirement of the college from this renewable source of energy. In fact electricity are wheeled back to grid if in excess during holidays. Regular maintenance is done.
- 5) The teachers, Staff and Students are very careful of wastage of electricity, and therefore, they switch off fans, lights, etc. immediately after the assigned works are done.

4. METHODOLOGY :

The methodology includes - preparation and filling up of questionnaire, screening of the report, record checking and review of the submitted documentations, measurements and recommendations. It works on the several aspects of "Green Audit including Water Conservation, Tree Plantation, Waste Management Alternative Energy and Mapping of Biodiversity, etc.

a. In order to meet these objectives, this audit was based on the report submitted by the College authority and reviewing of relevant documents as far as possible .

b. Review of the Documentations submitted by the college to support their activities For the purpose of this audit, the Green Policy of the institution was reviewed. Other relevant standards, Green audit framework, etc. was also considered.

- Interviews : Interviews were conducted with the Principal, IQAC Coordinator, Convener of College Environmental Committee and also members of the Committee.
- Physical Inspection : Physical inspection was made and report was prepared based on the physical verification and validation and interaction with the members of the College

5. DECLARATION BY THE PRINCIPAL :

I agree with all the recommendations and observations mentioned in this report.

1. GENERAL INFORMATION

1.0 Address of the College with Google location :

1.1. WHY THE COLLEGE NAMED SO :

The name chosen for the College 'Al-Ameen Memorial Minority College' bears a special significance. The Arabic term (Al-Ameen) in the language of Logic is Connotative. It bears both denotation and connotation. Al-Ameen denotes specially a particular person. Prophet Mohammad (Peace be upon him) who was given the very name in his boyhood by all the people respective of friends and foes of his motherland, Mecca. The term connotes a very good moral attribute TRUSTWORTHINESS belonging to the Prophet (P.B.U.H).

The Al-Ameen Memorial Minority College was, therefore, established recalling Al-Ameen, the essential quality of the Prophet (PBUH) Would to God that our College may become trustworthy to the people at large, in respect of imparting intellectual and quality, moral and cultural, modern and advanced education to the students belonging to different castes and creed, and thereby, forming true citizens of our motherland, India

1.2. HOW THE COLLEGE WAS BORN AND BROUGHT UP:

Al-Ameen Memorial Minority College is a notably noble achievement of the Al-Ameen Memorial Society for Education & Health Programme. It was founded in the year 2004. The College is a brainchild of its founder, Late Prof Md. Roushan Ali, a patron of letters, a far-sighted and noble hearted philanthropist. The impediment of his old age did not stand on his way fo till his demise to offer encouragement and valuable suggestions every now and then to the founder Secretary of the College Prof. Dr. Nurul Haque to bring it to its full flagged state. With an aim to imparting education (Higher Education) among the educationally backward minorities of West Bengal but not to the exclusion of the students of other communities, the Society humbly prayed to the Govt. of

West Bengal for according necessary permission to the establishment of a Minority College under the Article 30 of the Constitution The state Govt. after necessary verification and with the kind recommendation of the Hon'ble National Commission for Minority Educational Institutions, New Delhi, kindly accorded requisite permission to the establishment of the College with Minority status vide WB. Govt Order No. 421-Edn(CS)/4C-50/05, dated 26/04/2007 Subsequently the Minority Status Certificate was also issued by the NEMEI in 2008

We are very much happy to apprise that Al-Ameen Memorial Minority College is the first Muslim Minority General Degree College of West Bengal. It is affiliated to the University of Calcutta It is a co-educational institution for higher learning The College was included Under Section 2(f) of the UGC act, 1956, in 2008 and Under Section 128 of the same act in 2018. The University of Calcutta granted affiliation to the college on August 8, 2007.

The College was included in the year 2012 under the West Bengal colleges (Payment of Salaries) Act, 1978. We are very grateful to the State Government.

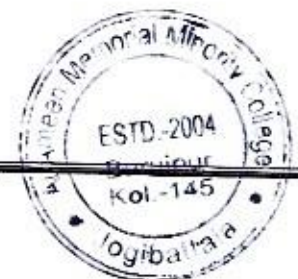

1.3. LOCATION OF THE COLLEGE :

The College is located at Jogibattala, Baruipur, South 24 Parganas (Kolkata - 700145), West Bengal, just five minutes away from Baruipur Railway Station and one minute away from Jogibattala Bus Stand on the Baruipur Bus Route.

1.4. DEPARTMENTAL LEGACY:

The college was granted affiliation by the University of Calcutta in the academic session 2007-08 and subjects like Arabic (Hons.), Bengali (Hons.) and Arabic (General), Bengali (General), English (General), History (General), Political Science (General) and Philosophy (General) were offered.

We are grateful to the University of Calcutta for kindly granting extension of affiliation to subjects like English (Hons.), Islamic History & Culture (Hons.) and Education (General) to the college from the academic session 2008-09. In 2009-10 Session the college has further obtained affiliation in Philosophy (Hons), History (Hons) and Urdu (Gen).

The college has a landed property far away from its present location .Therefore to make this college located at Jogibattal, Baruipur,with a Green Campus, is required to be made a clean and green institution. The college has therefore adopted strategies like construction of wall tubs with medicinal plants on the first floor and the second floor of its building .It has. as well taken major initiatives to demarcate one portion of its roof for cultivation of vegetables.

The activities undertaken for this purpose are as follows –

❖ Clean Campus :-

The idea of a clean campus pertains to the efforts which have established environmentally sustainable practices in this college. The practices like maintaining good hygienic environment in the college which includes making the students aware of how to keep the campus clean besides keeping themselves clean and sound in body mind and mind for making a peaceful institution.

❖ Environmental Awareness of students :-

The Al Ameen Memorial Minority College employed a suitable strategies including efforts to modify manners of the students, faculties and staff and purchasing at least minimal renewable energy system to attain this goal. The students are continuously made aware of campus sustainability and understanding of the environmental benefits. The students are found on basic awareness to identify efforts that they encounter on daily basis. The introduction of environmental science of the the part of curriculum has added benefit in creating their awareness and the sustainability of the campus.

The college has a rainwater harvesting system also called rainwater collection system or rain water catchment system and storing rainwater for further use. There is a preserver on the ground at the entranced of the college for further use. There is another preserver on the top of the roof of the also college building which also collects rainwater awarness programme on water conservation,. The collected rainwater is distributed as per requirement through a distribution system for the gardening of the college as well as for construction work.

❖ Plastic free zone :-

Plastics around us have proved to be a menace, therefore to make life healthier and better, we need to negate its poisonous effects on our natural environment. Keeping this in mind, we have decided to declare our college campus a 'Plastic Free Zone'. The students as well as staff members are discouraged from using plastics in any form within the college campus. Various programmes on 'plastic-free college campus' have been organized by the NSS Section of the college. This Section has taken initiatives to make the students aware to throw plastic packets in the Dustbin placed on all floors of the college building.

i Heritage visit Report

Traveling is very important for various purposes including to keep students away from fatigue, boredom, mechanics for some time. Traveling for a while can invigorate the body and mind. Travel brings peace to the body and mind. Helps to know the unknown. Helps to make new friendships. Keeping these in mind, our college arranged to visit several historical places in Baruipur for second semester students.

- 1) Baruipur Rajbari
- 2) Mahaprabhutla (Baruipur Puratan Bazar)
- 3) Kachari Bazar Jame Masjid
- 4) Sent Cathedral Baruipur

ii . Baruipur Rajbari

The traditional Rajbari of Baruipur is centuries old. If you look at the history of Baruipur, it is known that Zamidar Rajballab Chowdhury got a large area as dowry from the then Nawab. The Chowdhury family later acquired the title of Roy Chowdhury. King Rajvallabh Roy Chowdhury built a palatial palace by giving it to a foreign company during the reign of Lord Cornwallis. Thirteen Parbans in the twelve months of Bengali. Almost every one of them was celebrated royally. From Durga Puja to Rath Yatra - nothing is left out.

iii . Mahaprabhutla (Baruipur Puratan Bazar)

Sri Chaitanyadev went to Nilachal after taking sannyas. He was going to Baruipur by boat through the adi Ganges. On the way, Antisara Mahaprabhu came to the house of disciple Ananta Acharya. Stayed for three days. Rath also inaugurated the festival. This information was given by Nityananda Das Babaji, the current head of Mahaprabhu Tala.

The 500-year-old Rath festival is still being celebrated in Sambar. Even on Rath Day, people from far and wide come to enjoy khichuri under Mahaprabhu. The Mahaprabhu temple still has the shoes of Lord Chaitanya. Lord Mahaprabhu is worshiped here. Gaura and Nitai idols were also made under his orders during Sri Chaitanya's reign. Nityananda Das Babaji, head of the temple, said that when Chaitanya Dev came here, Ananta Acharya's house was a thatched cottage. Then there is thatched house. From there, the temple has improved over time. The festival is still being held according to tradition. Now the chariot comes out from the old market junction. Parikrama ends at Bhattacharya Para. There Harinam Sankirtan. Here all people irrespective of caste creed have free entry.

iv. Kachari Bazar Jame Masjid

It is located right next to Chayasree Gali near Baruipur Kachari Bazar. Its current imam Mahamudul Hasan Sk says that daily prayers are offered according to the rules. And hundreds of people come here to offer prayers as well. All people can come here irrespective of caste religion caste. Like some come to seek help in marriage of daughter, some come for begging.

v. Sent Cathedral Baruipur (Bishop House)

It is necessary to improve awareness of Heritage Tourism and the ethics of its care in study curriculum and to identify tools that can be developed to help communities to better understand and conserve their heritage. Heritage Education needs to be developed in College and through informal education.

The best way to preserve our heritage, whatever it may be, is to share it with others. It is our responsibility to keep world & regional history intact for the coming generation so that they may have the same opportunities to learn about the past and their own roots as we have.

Heritage Tourism plays a very important role in our life. It is what keeps us attached to our religion, traditions, & beliefs. In today's context we refer to cultural identity which means (feeling of) identity of a group or culture, or of an individual as far as he or she is influenced by his belonging to a group or culture.

vi. Gifting Books to the Neighbouring Children of the college

vii. Cleaning of Local Mosques

Al-Ameen Memorial Minority College

viii . Gifting Water Pouch

Water is nature's most precious gift, most important for sustaining life and drinking water is required for almost all human activities. Water is essential for irrigation, to meet growing food demand, industry, power generation. Our college organizes sixth semester students to give water to the thirsty passers-by in the heat of summer.

ix . Tree Plantation

Plantation is very necessary as trees provide oxygen to the environment and improve air quality. If more trees are planted, the world's environment will become a safer place to live. Plantation also reduces pollution, thereby making life safer for future generations. Our college students of all semesters planted trees on both sides of Baruipur bypass road.

x. Distribution of Iftar to the poors

xi . Distribution of clothiers to widows

xii . Safe Drive Save Life:

To sum up, the “Safe Drive, Save Life” campaign is an effective way to remember the significant influence that driving responsibly can have on our lives and the communities in which we live. It is a call to action, imploring people to adopt the virtues of prudence, compassion, and accountability. Launched in 2016 by the Chief Minister of West Bengal, the Safe Drive Save Life campaign has seen a remarkable 25% reduction in road accidents – a testament to the power of community engagement. For public awareness our college organized a walk from Yogibattala to Gobindpur High School with second and fourth semester students.

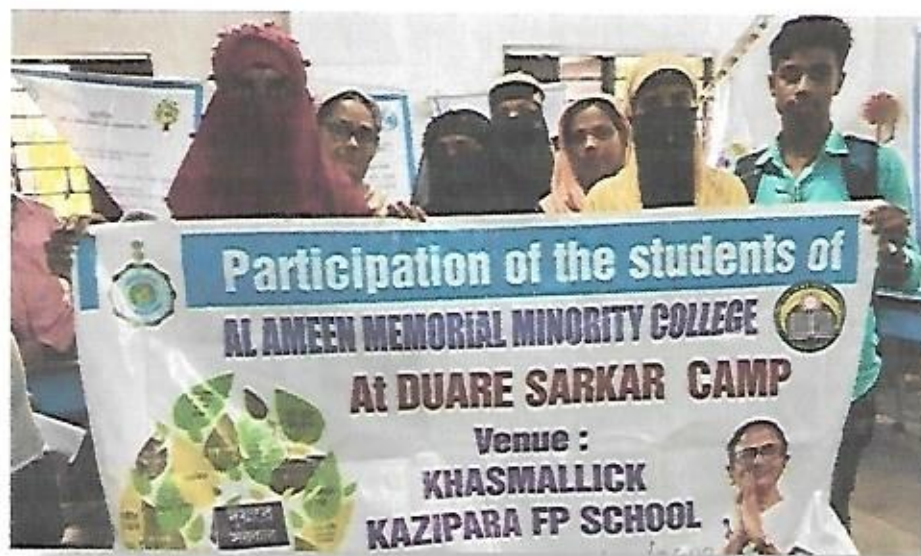

xiii . At Duare Sarkar Camp

Government of West Bengal

Started on 1st December, 2020 by the Hon'ble Chief Minister of West Bengal, Duare Sarkar is an initiative of the Government of West Bengal, for delivery of services and welfare schemes at the doorsteps of the people through outreach camps. These camps are organized at the level of gram panchayat and municipal ward level. These camps act as service providers of specific services and nodes for issuance and collection of applications for welfare schemes.

Paray Samadhan – a community component of the Duare Sarkar campaign - conceptualized to respond to the numerous petitions and applications received from citizens seeking solutions to small local problems due to gaps in infrastructure, supply and services and manpower in public institutions. Through Paray Samadhan, the Government seeks to address neighborhood needs through small interventions and community participation, aiming to solve community level issues locally.

xiv. Love And Serve Old Persons

College students interact with elders in the mosque. Then they told the story and the elders were happy and blessed everyone. Finally helped an old man to return home.

xv. Freeing Birds Campaign

xvi. Hizab Awareness Campaign

World Hijab Day is an annual event founded by Nazma Khan in 2013, held every year on 1 February in 140 countries worldwide. Its stated objective is to encourage women of all religions and backgrounds to wear and experience hijab for a day and to educate and spread awareness about why hijab is worn. Our college organizes an event in this regard.

xvii . Teach QURAN Programme

Quran learning is an important part of Islam. Our college teachers understand the need and importance of Quran education to the kids around the college. And advised them to use modern teaching techniques to learn Quran.

❖ Renewable Energy :-

Report on Future Programmes

Al-Ameen Memorial Minority College is committed to creating a sustainable and environmentally friendly campus. This report outlines future programmes aimed at achieving a clean, green campus, focusing on renewable energy and solar power systems.

1) Renewable Energy Initiatives:

a) Solar Power System Installation:

Objective: To reduce the college's carbon footprint and reliance on non-renewable energy sources.

Plan: Install solar panels on rooftops of college buildings.

Capacity: Aim to generate 30-50% of the campus' energy needs through solar power.

Benefits: Lower electricity bills, reduced greenhouse gas emissions, and educational opportunities for students in renewable energy technologies.

b) Green Energy Awareness Programmes

Objective: To educate and engage students and staff in sustainable practices.

Plan: Organize workshops, seminars, and guest lectures on renewable energy and sustainability.

Benefits: Increased awareness and participation in sustainability efforts across the campus.

2) Making the College Campus much Greener.

a) Green Spaces and Plantations:

Objective: To enhance campus biodiversity and provide a healthy environment for students and staff.

Plan: Develop green spaces, including gardens and tree plantations.

Benefits: Improved air quality, aesthetic appeal and a conducive environment for learning.

Regular Audits: Conduct energy and sustainability audits annually to assess the effectiveness of implemented programmes.

Feedback Mechanism: Implement a system for collecting feedback from the campus community to continually improve and adapt initiatives.

Al Ameen Memorial Minority College is dedicated to fostering a sustainable future through these renewable energy and green campus initiatives. By integrating these programmes, the college aims to create a model of environmental stewardship and educate its community on the importance of sustainability.
