Seminar Topic - A Doll's House by Henrik Ibsen

Objective:

To provide an in-depth understanding of Henrik Ibsen's A Doll's House by exploring its themes, character dynamics, and historical significance, enabling students to critically analyse the play's social, cultural, and literary impact. The seminar aims to foster discussions on the portrayal of gender roles, individual freedom, and societal expectations, while encouraging students to engage with the text through interactive sessions and expert insights. This will not only enhance their comprehension of the play but also develop their analytical and critical thinking skills in literature.
