Soft Skill Programme :

" Talim ul Quran " (Teaching of Quran Recitation)

The " Talim ul Quran " (Teaching of Quran Recitation) was Organized by Al-Ameen Memorial Minority College from 5th April, 2021 to 10th June 2021. The sessions were held every Saturday and Sunday from 4:00 PM to 6:00 PM. Each session was designed to encourage participation, allowing students to explore different themes and techniques. The activity was well-received, fostering a sense of artistic community among the participants.

Teaching Quran recitation is essential for many reasons, especially in Islamic education. Here's a breakdown of the importance of Quran recitation in ten key points:

- 1) Faith: Strengthens the believer's connection with Allah.
- 2) Duty: Fulfills an important Islamic obligation.
- 3)Tajweed: Ensures correct pronunciation and recitation.
- 4)Understanding: Enhances comprehension of the Quran's message.
- 5) Reward: Each recited letter brings spiritual rewards.

- 6) Reflection: Encourages deep contemplation of divine wisdom.
- 7) Memorization: Forms the foundation for memorizing the Quran.
- 8) Community: Strengthens unity through shared recitation.
- 9) Discipline: Cultivates focus and mental precision.
- 10) Serenity: Provides peace and spiritual tranquility.

These words capture the key aspects of why teaching Quran recitation is vital in Islamic practice.

Language and Communication Skill Programme :

“ Learning English Through Audio - Visual System ”

The activity “ Learning English Through Audio - Visual System” was organized by Al-Ameen Memorial Minority College from 8th April, 2021 to 21th June, 2019. The sessions were held every Saturday from 4:00 PM to 6:00 PM. This initiative provided a platform for students to express their creativity through art while honing their drawing skills. Each session was designed to encourage participation, allowing students to explore different themes and techniques. The activity was well-received, fostering a sense of artistic community among the participants.

The importance of "Learning through the Audio-Visual System" lies in its ability to engage multiple senses, enhancing understanding and retention. By combining sound and visuals, it makes complex concepts easier to grasp, appeals to different learning styles and increases student engagement. This method fosters better memory recall, encourages active participation and improves overall learning outcomes.

Life Skill Programme: “ Long Jump”

An activity on running, emphasizing health as a life skill, was conducted by Al Ameen Memorial Minority College from 10th January, 2021 to 30th January, 2021. The sessions were held every Saturday from 3PM to 5PM. The program aimed to promote physical fitness and the importance of running for overall health. Participants were trained in various running techniques, breathing exercises, and endurance building, highlighting the long-term benefits of regular exercise. The activity focused on integrating running into daily life to improve cardiovascular health, stamina, and mental well-being. This initiative successfully raised awareness among students about maintaining a healthy lifestyle through consistent physical activity.
