## From the Principal's Desk

Dear students,

Thank you for choosing this College.

Now let me be very frank and honest that we don't really know what tempted you to choose this Institution, but we are, of course, very happy that you have chosen it for your studentship.

If you ask my opinion as to why you should prefer this institution, I can point out a few things that you may accept from the core of your heart.

The first and foremost thing is that this Minority College has been established with the intention of serving the Minority students but not to the exclusion of students belonging to other communities, with twin objects - that such minorities shall preserve their religion and culture and shall be a part and parcel of the main stream of education at one and the same time. You, as minority students, are most welcome if you have in your minds these aspects while preferring this institution. And as regards the second object, the non-minority students are also most welcome for the construction of fraternity in the college for inclusion of minorities to the main stream of education.

The second thing is, the founder-father of the college, Late Prof. Al-haj Md. Roushan Ali dreamt of making it a premiere institution of higher learning in our state of West Bengal. We have before us the glaring examples of such institutions like the St. Xavier's College and the Ramakrishna Missions. In order to be at par with such institutions we too like them must maintain mutual trust among the college authority and the students. A trust which is reciprocal. Like them we must be extremely protective of our system. Thus we must maintain a strict sense of honour and respect for the trust and the system. If you are committed to this mutual trust and the system, you are most welcome.

The third thing is, Dedication for quality development from both ends - from the end of the students as well as of the teachers is most important. Here I assure you that we have a number of committed, devoted, disciplined and dedicated teachers to lead you to the right path and let you achieve your goal.

The fourth thing is, Discipline in an academic institution rather in every spheres of life is the very key to success. The premiere institutions like the St. Xavier's College and the Ramakrishna Missions in order to control indiscipline that creeps in mainly through political activities with ulterior motives withstand themselves from all sorts of provocations and interventions from inside and outside. With the same aim our college is from the beginning free from all political provocations with ulterior motives. I would request you to give special emphasis to this aspect as one of the reasons for choosing this institution. At the same time, you should know that it is your divine duty to protect this institution from such provocations during the period of your studentship in the college.

The most important thing to which I would draw your attention for which I think you should choose this college, is that it aspires to lit the light in you to reach to the sun-mum bo-num of life which is to create union among the urge of life, knowledge, work and love that will ultimately bind yourself to yourself, to one another and to God.

"And I say that life is indeed darkness save when there is urge,

And all urge is blind save when there is knowledge.

And all knowledge is vain save when there is work,

And all work is empty save when there is love,

And when you work with love you find yourself to yourself, and to one another, and to God."

I hope your studentship in this College will make you understand these aspects that make difference of this college with other colleges, and the kind of life you are expected to lead.

Wish you all the best.

30<sup>th</sup> July, 2021

## Why the College Named So

The name chosen for the College 'AI -Ameen Memorial Minority College' bears a special significance. The Arabic term (AI-Ameen) in the language of Logic is Connotative. It bears both denotation and connotation. **AI-Ameen** denotes specially a particular person, Prophet Mohammad (Peace be upon him) who was given the very name in his boyhood by all the people irrespective of friends and foes of his motherland, Mecca. The term connotes a very good moral attribute TRUSTWORTHINESS belonging to the Prophet (P.B.U.H).

The AI -Ameen Memorial Minority College was, therefore, established recalling AI -Ameen, the essential quality of the Prophet (P.B.U.H). Would to God that our College may become trustworthy to the people at large, in respect of imparting intellectual and quality, moral and cultural, modern and advanced education to the students belonging to different castes and creed, and thereby, forming true citizens of our motherland, India.

## HOW THE COLLEGE WAS BORN AND BROUGHT UP

AI-Ammeen Memorial Minority College is a notably noble achievement of the AI -Ameen Memorial Society for Education & Health Programme. It was founded in the year 2004. The College is a brain - child of its founder, Late Prof. Md. Roushan Ali, a patron of letters, a farsighted and noble hearted philanthropist. The impediment of his old age did not stand on his way to till his demise to offer encouragement and valuable suggestions every now and then to the founder Secretary of the College Prof. Dr. Nurul Haque to bring it to its full flagged state.

With an aim to imparting education (Higher Education) among the educationally backward minorities of West Bengal but not to the exclusion of the students of other communities, the Society humbly prayed to the Govt. of West Bengal for according necessary permission to the establishment of a Minority College under the **Article 30 of the Constitution** . The state Govt. after necessary verification and with the kind recommendation of the Hon'ble **National Commission for Minority Educational Institutions**, New Delhi, kindly accorded requisite permission to the establishment of the College with Minority status vide W.B. Govt. Order No. 421 -Edn(CS)/4C-50/05, dated 26/04/2007. Subsequently the Minority Status Certificate was also issued by the NEMEI in 2008

We are very much happy to apprise that AI-Ameen Memorial Minority College is the **first Muslim Minority General Degree College of WestBengal** . It is **affiliated to the University of Calcutta** . It is a co-educational institution for higher learning. The College was included Under Section 2(f) of the UGC Act, 1956, in 2008 and Under Section 12B of the same act in 2018.

The college was granted affiliation by the University in the academic session 2007 - 08 and subjects like **Arabic (Hons.), Bengali (Hons.) and Arabic (General) , Bengali (General), English (General), History(General), Political Science (General) and Philosophy (General)** were offered.

We are grateful to the University of Calcutta for kindly granting extension of affiliation to subjects like **English (Hons.), Islamic History & Culture (Hons.) and Education (General)** to the college from the academic session 2008-09.

In 2009 -10 Session the college has further obtained affiliation in **Philosophy (Hons.), History (Hons.) and Urdu (Gen)**

**The College was included in the year 2012 under the West Bengal colleges (Payment of Salaries) Act, 1978. We are very grateful to the State Government.**
